

Guidance: results displayed for searches to find Activity Assessors, Nights Away Advisers and permit holders

Some searches may display results that are not accurate, please be aware of these known issues and check carefully to ensure you are contacting the right people.

Historic permit types

You can currently search for types and levels of permits that no longer exist (ie they have been discontinued and can no longer be issued). These searches may return no results, indicating that there are no longer any individuals holding these permits.

Due to changes to the permits required for certain activities, some activities are listed twice in different ways in the dropdown list. Please be aware that you may need to double search for permit holders in these cases, for example, climbing and ice climbing, or multi-pitch climbing and climbing/abseiling. Permit titles that are no longer available are listed as '[Archived]'.

Kayaking and Canoeing

Kayaking and Canoeing searches will give you the option to search by classification (eg B1), or by classification and sub-type (eg Open Inland/River/Sea/Surf).

Searches by classification only (eg B3, B2, B1, A) will include results with all applicable sub-types (eg River B1 Waters).

Only permit holders matching both the classification and the sub-type are appropriate to lead that activity.

Permit types with a non-linear hierarchy

The search functionality is set to return everyone at and above the level you have specified. For example, if 'B1 Water' is selected, the search will return anyone who can operate on B1 waters and above, including people who hold a B2+ Waters Permit.

However, when a permit type has a non-linear hierarchy, this does not work neatly. For example, when searching for 'Terrain 2 Summer Hillwalking' permit holders, results for Terrain 1 Winter will be returned. To lead activities in Terrain 2 Summer conditions you need either a Terrain 2 Summer or a Terrain 2 Winter permit.

Hill Walking	Terrain 2 Summer	Supervisory	15 May 2017	Hampshire
Hill Walking	Terrain 2 Summer	Supervisory	12 Jan 2019	Hampshire
Hill Walking	Terrain 2 Summer	Leadership	08 Oct 2017	Hampshire
